

I am dreaming Dear of you, day – by – day –
Dreaming when the skies are blue, When – they're – gray –
When the silv'ry moonlight gleams,
Still I wander on in dreams
In a land of love, it seems, Just – with – you –

Let me call you "Sweetheart," I'm in love with you
Let me hear you whisper that you love me too
Keep the love-light glowing in your eyes so true
Let me call you "Sweetheart," I'm in love with you

Longing for you all the while, more – and – more –
Longing for the sunny smile, I – a – dore –
Birds are singing far and near,
roses blooming everywhere
You alone my heart can cheer, you – just – you –

Let me call you "Sweetheart," I'm in love with you
Let me hear you whisper that you love me too
Keep the love-light glowing in your eyes so true
Let me call you "Sweetheart," I'm in love with you
